Important Information

① When will I receive the tickets?

Your tickets are guaranteed, and you'll receive them in time for the event. Depending on the type of the ticket, you may receive them immediately after buying them or the same day as the event, which usually happens with highly demanded shows. We know this may be uncomfortable, but we guarantee that they will arrive in time so that you access the event with no problems at all.

② Check the date and time of the event

Event dates and times are subject to change. These adjustments are determined by the official event organizer and are beyond Hellotickets' control. We recommend checking the official event details periodically to confirm the correct date and time, and to make the necessary arrangements to attend. Tickets will remain valid for the new date and time.
