Essential Information

Passports & Visas

It is your responsibility when travelling or transiting on your journey to ensure that you have valid passports, visas, ESTA (USA), eTA (Canada, New Zealand, and The United Kingdom are some countries allowing travel via eTAs for Australian passport holders) and re-entry permits which meet the requirements of immigration and other government authorities. If you need information regarding visas and other travel document requirements (i.e. ESTA or eTA eligibility) for your trip, please ask your travel consultant for assistance.

Please note that many destinations require a minimum of 6 month's passport validity from return date. Please let us know if you have less than 6 months validity on your passport and we can confirm requirements specific to your travel arrangements.

Many countries require passport information to be included in itineraries prior to travel. We want your travel experience to be as smooth as possible and request that passports for all travellers be presented to your consultant prior to departure.

Note: Most destinations require at least 6 months' passport validity from the return date. Let us know if yours has less than this, so we can advise you.

Non-Australian passport holders may also need to meet re-entry conditions for Australia.

If you hold dual passports or travel on a document other than a passport, please inform us as soon as possible.

Travel Insurance

Cooling Off Period

This policy can be cancelled within 21 days of the date of issue for a full refund of the entire premium unless the customer has already made a claim under the policy, or departed on their journey.

General Terms and Conditions

We believe it is important for you to consider taking out appropriate travel insurance to cover your travel arrangements. Insurance cover offered by credit card companies or reciprocal medical cover agreements may not be comprehensive or suit your needs – we recommend you carefully check the cover and benefits and consider whether it is necessary to purchase additional travel insurance. Insurance that covers various aspects of your travel, such as cancellation, overseas medical and repatriation expenses, personal injury and accident, death, loss of personal baggage and money, and personal liability can be beneficial.

Travel insurance is strongly recommended by the Department of Foreign Affairs and Trade for all travel.

Your travel consultant can provide general information to you about travel insurance. For details of the services that travel insurers provide, including a quote, please refer to the travel insurer's Combined Financial Services Guide and Product Disclosure Statement ("Combined FSG/PDS") and Target Market Determination ("TMD").

We are an authorised representative of Europ Assistance Australia Pty Ltd (ABN 71140219594, AFSL 552106) ("EAA") and receive financial and non-financial benefits when you buy travel insurance products through us from EAA. We and EAA are authorised to arrange travel insurance products on behalf of the insurer, Mitsui Sumitomo Insurance Company Limited (ABN 49 000 525 637, AFSL 240816) ("MSI"). EAA holds a binding authority from the insurer, MSI to issue contracts of insurance and to deal with or settle claims on MSI's behalf and as MSI's agent. Any recommendations made about insurance is general advice only and doesn't take account of your particular needs and circumstances. You must read the

travel insurer's Combined FSG/PDS and TMD before you decide to buy the travel insurance product you are considering purchasing to ensure that it meets your needs and financial situation. The Combined FSG/PDS also contains information about the conditions, limits and exclusions that apply to the insurance, the Cooling Off Period, and how you can access privacy policy and complaints handling procedures. To take out travel insurance through us, or if you have any questions about the travel insurance products, please contact your consultant, visit our website <https://www.flightcentre.com.au/booking/insurance>, or call 1300 268 120.
